

ALF Policy Debate

Enhancing Diversity, Equity, and Inclusion in AI for a Sustainable Euro-Mediterranean Ecosystem

Dates: November 29, 2024

Location: Oujda, Morocco

Venue: Campus du Savoir, Mohammed First University

29/11/2024

16:45-18:15 *Implementing inclusive AI practices for Euro-Med Social Good*

This session will consolidate insights from the day to develop actionable approaches for inclusive AI practices that benefit Euro-Med societies. Panellists will focus on applying ethical principles in AI governance and use them to collectively imagine how implementing AI technologies can empower Euro-Med communities and foster the common good. Moving from theory to practice, the session will outline how AI can provide equitable societal improvement, supporting human well-being and sustainable development across diverse communities.
